Sonic Ride 6 Nov 2010

It was a cool day but we still had a good group show up for our ride to the Sonic on North Slappey. I wore my jacket all day and so did a few more. Bill and Betty, Maud, Jimmy and Betty, Johnny, James and Nancy, Rich and Anne, Rich, Floyd, and me had a great time just sitting around talking and enjoying ourselves. Of course we all had something to eat or drink too. James and Nancy were on James new Trike or should I say Green's Trike. He bought Green's Trike and it is still just as beautiful as it ever was. Bill and Betty showed off their new 2008 Candy Red. It is a great looking bike.

Everybody should know by now this ride is scheduled for the first Saturday of the month from 4:00 to 6:00. I sold everybody a rider's ticket as usual. Got to keep that pot of money going besides those folks that buy tickets always seem to show up for the meeting and for good reason. You can't win if you don't come. Bill took some pictures so check the website they're probably out there. James, Nancy, Bill, Betty, Maud and myself met up at the Mexican place over in East Albany later after we retired the Wings and had some great food and drink. It was another great day!

Hope you join us next month. Jeff

Education and Training

I know you have heard the phrase "The more you know, the better it gets". On Saturday, the 6th of November, we had the opportunity to provide some valuable education and training to some of our Chapter H members. After a cool ride to Leesburg with temperatures in the 30's, Jimmie and Betty Strickland and Floyd Weaver met Rich and Bill at the Lee County Board of Education building at Rich Morgan's office where they took the Medic First Aid course for first aid and CPR. After receiving their certification cards, Jimmie and Floyd had lunch and met Rich and Bill at the bus parking lot at the Kichafoonee Primary School for a Parking Lot Practice. Both Jimmie and Floyd succeeded in demonstrating their abilities in handling their trikes in slow riding situations. After receiving their course completion cards, this now gives Jimmie and Floyd the opportunity to move to Level II in the GWRRA Rider Education Program. Congratulations to Jimmie, Betty and Floyd in participating in these valuable education and training programs.
